

WHARFEDALE WH-D10 Subw. Black Wood Aktivni vufer

Šifra: 13418
Kategorija proizvoda: Hi-Fi Subwooferi
Proizvođač: Wharfedale

Cena: 684,00 KM

The cabinet construction of the WH-D10 has been aesthetically enhanced, with new high-gloss lacquered front baffles and cosmetically enhanced veneers. This new look is designed to match perfectly with the new and award winning Diamond 200 series, which is already gaining outstanding reviews internationally.

Aside from newly improved aesthetics, the two new subwoofers are built to elevate the performance of any AV setup. The WH-D10 features an active dynamic drive subwoofer system in a sealed box, for fast, accurate and intensive bass response.

The WH-D10 also employs a custom designed Class-D balanced drive power amplifier which provides power and dynamics unheard of in products at a comparable price.

Low pass filter slope continuously adjustable from 40Hz - 150Hz

Phase invert switch

Low frequency bass extension (below 30Hz), with a wide 86dB dynamic range

Low level inputs, dedicated LFE input

Auto power sensor

Description/Format	Active Dynamic-Drive IB subwoofer system
Drive Units	1 x 10" (250mm) cone long-throw
Frequency Response (+/-3dB)	35Hz - 150Hz
Amplifier Power Output	150W
Peak Power Output	300W
Line Input Sensitivity	100mV for maximum output
Crossover Range	30Hz - 150Hz
Inputs	Stereo Line In (2 x RCA Phono) Mono (LFE) Line In (RCA Phono)
Input Impedance	Line In 10kOhms LFE 5kOhms
Signal-to-noise ratio	>85dB
Avg. Max Output @1m	110dB
Features	Low pass filter slope adjustment Phase inversion

Description/Format	Active Dynamic-Drive IB subwoofer system
	Auto on/off
	High pass output
Dimensions	363 (+30) x 333 x 372 (+22)
Net Weight	14kg
Gross Weight	16.5kg
Accessories	IEC power cord, spikes as standard
