ALL THE SAME CHARACTER

This classic low-gain drive pedal brings your music to life. By combining vintage, organic drive with natural colour and warmth, the Bluesbreaker gives you earlier breakup and makes your solos tower above the noise.

ROOTED IN HISTORY

These pedals have been seen on countless stages since first being introduced in 1992 and are now collector's pieces and heavily sought after. This faithful reissue is meticulously designed and hand-built at our famous Bletchley factory.

REDISCOVER THE TONE

Inspired by the amp used by the legendary Eric Clapton, the Bluesbreaker pedal masters bluesy lead sounds with bags of clarity and sparkle.
