Bowers & Wilkins CCM362 Plafonski zvučnik

Šifra: 17203
Kategorija prozivoda: HI-FI Ugradni Zvučnici
Proizvođač: Bowers & Wilkins

Cena: 331,00 KM

The CCM362 has been specifically designed to cope with more demanding, high humidity environments, such as a shower room or indoor swimming pool, which are unsuited to some of the advanced materials we have employed. Whereas its cost effectiveness may lead it to being described as entry level, the CCM362 also provides a point of entry to areas of the home that were previously off-limits for high-quality installation loudspeakers.

Technical Specifications
