Bowers & Wilkins CCM382 Plafonski zvučnik

Šifra: 17494
Kategorija prozivoda: HI-FI Ugradni Zvučnici
Proizvođač: Bowers & Wilkins

Cena: 449,00 KM

The CCM382 has been specifically designed to cope with more demanding, high humidity environments, such as a shower room or indoor swimming pool, which are unsuited to some of the advanced materials we have employed. Whereas its cost effectiveness may lead it to being described as entry level, the CCM382 also provides a point of entry to areas of the home that were previously off-limits for high-quality installation loudspeakers.

The B&W CCM382 is a two-way ceiling loudspeaker, balanced for wide-angle listening and features an elegant minimal-width border design. Each CCM382 speaker includes one 8" Polypropylene cone bass/midrange driver and a 1" soft dome tweeter. The B&W CCM382 speakers have also been specifically designed to cope with more demanding environments and can be used in places where other high-quality speakers struggle because of excess moisture. This makes them ideal for areas of high humidity, such as an indoor swimming pool or shower room.

Model	CCM382
Description	2-way in-ceiling system
Drive units	1x 200mm (8in) Polypropylene cone bass/midrange 1x 25mm (1in) soft dome tweeter
Frequency Range (-6dB)	45Hz - 30kHz
Sensitivity SPL (2.83V, 1m)	90dB
Impedance Nominal (min)	8Ω (5.0Ω)
Power Handling	80W
Pre-mount Kit	PMK C8

Back Box	BB 6C
Frame Diameter	290mm (11.4 in)
Cut-out diameter	253mm (9.9in)
Depth behind surface	85mm (3.4in)
Protrusion	4mm (0.2in)
