Šifra: 17936
Kategorija prozivoda: Wireless Slušalice
Proizvođač: Bowers & Wilkins

Cena: 1.174,00 KM

A new reference in headphones
Px8 combines its high-resolution 24-bit DSP with all-new 40mm Carbon Cones that deliver outstanding resolution. By reducing distortion and improving high-frequency detail, the Carbon Cone captures nuances in your music that other headphone drive units miss – and in Px8, that means more of the music that matters, more of the time.

Angled Carbon Cones
Px8’s precisely angled Carbon Cone drive units improve stereo imaging, and deliver reduced distortion and massively improved clarity. Coupled to a fully optimised drive unit ‘motor system’, with revised magnet, voice coil, and surround, the result is unparalleled accuracy and realism.

High-resolution sound with advanced DSP
Px8 uses aptX™ Adaptive wireless technology and powerful Digital Signal Processing to ensure outstanding 24-bit high-resolution sound quality from suitable streaming services. You can also connect to your laptop via USB to enjoy high-resolution streaming.

Cancel the noise, not your music
Px8's proprietary noise-cancelling technology ensures outstanding performance with no impact on musicality. Six microphones work together to deliver the best results, both for noise cancellation and clearer voice calls.

Comfort, for longer
Px8 features luxurious materials and purposeful design. Its aluminum arms are supremely light and stiff for superior durability: its sumptuous Nappa leather combines with perfectly crafted memory foam earpads to provide effortless all-day comfort plus supreme durability. Diamond-cut bright metal detailing perfectly finishes the luxurious, premium look.

The music you love, instantly. Use with the Bowers & Wilkins Music app for ultimate, seamless, simple connection.

Net weight	320g (without carry case)

Dimensions (Carry Case)	189mm (w) x 63mm (d) x 233mm (h)
