SPANISH HEEL CONSTRUCTION

All "EL CLASICO" models are produced in the traditional Spanish Luthier's method. The Spanish Heel Joint would be the most significant feature. This will found a robust neck mounting with the body which delivers great stability and durability of the instrument as well as allowing a resonance go all through the body to the neck.

SELECTED WOODEN MATERIALS

Carefully selected wooden materials are well-seasoned at the workshop. This will result a great body resonance and improve instrument's stability against general aging issues.

PAINSTAKING CRAFTSMANSHIP

The quality of "EL CLASICO" guitars are achieved by the skilled luthiers. Uncompromised craftsman spirit is the key to make a success in great sound and reliable construction quality.
