<div>Šifra: 18695</div> <div>Kategorija proizvoda: Surround Zvučnici</div> <div>Proizvođač: Wharfedale</div> <div>Cena: 782,00 KM</div>	WHARFEDALE DX-3 5.1 HCP Walnut Pearl	
	DX-3 Satellite	DX-3 Centre

General Description	2-Way Closed Box Bookshelf Speaker	2-Way Aperiodic Centre Channel Speaker
Bass Driver	3" (75mm) Woven Polypropylene cone	3" (75mm) Woven PP Polypropylene cone x2
Treble Driver	3/4" (19mm) High Frequency Silk Dome	3/4" (19mm) High Frequency Silk Dome
Sensitivity (2.83V @ 1m)	86dB	87dB
Recommended amplifier power	25-100W	30-100W
Nominal impedance	4Ω	4Ω

	<b>DX-3 Satellite</b>	<b>DX-3 Centre</b>
<b>Minimum impedance</b>	3.6Ω	3.6Ω
<b>Frequency response (+/-3dB)</b>	100 Hz - 22kHz	80Hz - 22kHz
<b>Bass Extension (-6dB)</b>	100Hz	70Hz
<b>Crossover Frequency</b>	2.8Hz	2.6kHz
<b>Height</b>	190mm	120mm
<b>Width</b>	120mm	310mm
<b>Depth (with terminals/grille)</b>	122mm	122mm
<b>Net Weight</b>	2kg	2.7kg

With a clean-new aesthetic and inheriting performance and styling tweaks, based upon the Wharfedale Diamond 12 series, the new DX-3 is the new system of choice for those yearning for a home cinema experience but limited on space or budget.

The Wharfedale DX-3 is compact, stylish and offers incredible value for money. Marking the 3rd iteration of the acclaimed system, the satellite speakers bring in new heritage and are now styled closer to the award-winning Diamond 12 series, making for a more contemporary solution. The cabinets have also been revised in looks but also with a new structure, not only to enhance the aesthetic but also to aid with the resonant control and dynamic performance, resulting in an even more impressive mini loudspeaker cabinet. Handling dialogue, sound effects and music with ease, solidity and detail, the DX-3 is extremely versatile.

As with the preceding DX-2, the DX-3 includes four satellite speakers for the front and rear, a compact centre speaker, and an powered subwoofer that has also been tweaked in conjunction with the satellite speakers. Offering a more sophisticated performance, each of the satellite speakers employs a silk dome HF unit and 75mm bass driver engineered from a polypropylene base, which offers a performance akin to the PP cones featured in the Wharfedale Diamond 12 series.

For bass extension and impact, the DX-3 system relies on the 200mm long-throw driver in the powered DX-3 subwoofer, modelled upon the best-selling Wharfedale WH-D8. Whole system tuning means the subwoofers rapid and controlled low-frequency extension has also evolved to match the satellite speaker's new appearance and enhanced dynamics.

Overall, home cinema systems are subject to high demands in terms of audio performance. Despite being compact and affordable, the DX-3 is feature-rich and built upon a strong foundation to provide a space-saving, budget-friendly system without sacrificing a thrilling home cinema experience.

## **Same but different**

Updated cabinets with design traits taken from the Wharfedale Diamond 12 series mean the system is recognisably different, and all for the better!

## **Traits of more than one legend**

Cabinets, drivers, structure and performance are closer to the Diamond 12 series - an award-winning home theatre system of its own right!

## **Surround Sound**

The DX-3 system includes 4x satellites, 1x centre and a subwoofer. The satellite speakers are also available in 2.0 and 5.0 configurations, allowing for expansion beyond 5.1

## **Bass Race**

The included WH-D8 is an active subwoofer that offers lively, deep bass, perfect for AV and music applications.
