KOSS PORTA PRO UTILITY

The
Koss

Porta Pro® Utility On-Ear Headphone is part of the Koss Utility Series, an all-new listening experience that features three new headphones, three new cords and one seamless experience where everything works together. No batteries, no audio compromises, no compatibility issues. It's that simple.

Included with every Koss Utility Series Headphones is a detachable 3.5mm standard headphone jack cord.

Koss Utility Series features a detachable cord system giving listeners the flexibility to seamlessly swap between devices, allowing you to connect to the devices you own now or in the future.

For over 40 years, listeners around the world have recognized Koss's dedication to sound accuracy.

The all-new Koss Porta Pro® Utility celebrates that dedication with an incredibly expansive open-air soundstage with deep bass and crisp highs that will blow you away.

What's Included? Porta Pro® Utility, 3.5mm Utility Cord.
