SoundCheck DSPTM Voicing Modes

- Sound check is as easy as pressing a button with user-selectable voicing modes
- Flat Mode: Neutral speaker with pure sound
- DJ Mode: DJ speaker for music playback
- Live Mode: PA speaker for speech, karaoke, live shows and events
- Wedge Mode: Stage monitor for performers

SoundCheck DSPTM Instant Setup Features

- Feedback Eliminator magically prevents ear-piercing microphone feedback with the push of a button
- Music Ducking tastefully dims music when you speak into the mic, so you never have to bring the vibe to a halt
- Outdoor mode automatically compensates for being outside, preventing the typical loss of high end

Built-in Mixer With Mic Input

- Dual XLR/TRS combo input jacks on both channels
- Mic/line switch on channel 1
- 1/8" input jack on channel 2
- XLR mix output (includes Bluetooth®)
- Front LED on/off

Bluetooth® Streaming and Linking

- Bluetooth® streaming from your smartphone or tablet
- Bluetooth® linking so you can stream to two speakers in stereo, zone or dual mono
- Control every setting wirelessly and tweak the EQ with Thump Connect 2 app
- Bluetooth® works simultaneously with analog inputs, and passes to XLR mix output
